

## **Professional Applicators with a Chemigation (CH) category**

1/4/00

1. Law and Safety (LS). This shall include general knowledge of pesticides including proper use and disposal, product characteristics, first aid, labeling, and laws. Certification in this category is required when certifying in Subsections 100.02.a.ii. through 100.02.a.ix. (3-20-97) **(IDAPA 02.02.03.100.02.a.i.)**
2. Agriculture. For persons conducting field crop applications. Agriculture Herbicide (AH). Certification in this category shall also certify a person to make herbicide applications in rights-of-way, forests, and rangelands. Agriculture Insecticide/Fungicide (AI). Certification in this category shall also certify a person to make insecticide/fungicide applications in rights-of-way, forests, and rangelands. Soil Fumigation (SF). (7-1-99)T **(IDAPA 02.02.03.100.02.a.ii.)**
3. Chemigation (CH). For persons who apply chemicals through an irrigation system, excluding Aquatic Weed and Pest Control applicators (see Subsection 100.02.xii.). (7-1-99)T **(IDAPA 02.02.03.100.02.a.xix.)**
4. Records Requirements **(IDAPA 02.03.03.150.)**
5. Chemigator responsibilities. Responsible for chemigation system and will make any necessary changes to the system **(IC 22-3406B.)**
6. System placed on license application. Professional Applicators license application must have the chemigation system information on the back, just like the Private Applicator license applications. Currently the chemigation systems information is not on the back of the Professional license application form. **(IC 22-3404(2)(b).)**
7. **Proof Of Financial Ability.** A professional applicator's license will not be issued by the Department until an applicant submits written proof of financial responsibility by any of the following methods: (3-20-97) **(IC 22-3404(2)(d)., IDAPA 02.03.03.250.)**
8. Many consultants have signed an **insurance waiver** for their SW category. If they chemigate professionally, then they will need to rescind that waiver because they are now a professional applicator. **(IC 22-3404(7)(c))**
9. **Licensed Professional Applicator.** Only a licensed professional applicator shall operate or supervise the operation of commercial application equipment by being present during the time of operation. (3-20-97) **(IDAPA 02.03.03.100.05.)**
10. **RESPONSIBILITIES OF CHEMICAL SUPPLIERS.** Any person who supplies or sells at retail a chemical and who knows or has reason to know that the chemical will be applied by chemigation shall sell chemicals only to licensed professional or private applicators with a chemigation category. **(IC 22-3406A)**
11. **WPS** – Exchange of information as a professional applicator.
